Q: What should you do if you find matches or a lighter?

A: Don't touch them. Tell a grown up. Matches and lighters are tools not toys!

A: Hold your burn under cool running water for at least 20 minutes. If the burn is larger than a 20 cent piece, you will need to see a doctor.

Q: Do you know what a smoke alarm sounds like?

1

A: Make sure you know what a smoke alarm sounds like, so if there is a fire you know what to do.

Q: What number should you call when at your safe meeting place?

3

A: In a fire, get out, stay out, call triple zero '000' from a mobile or a neighbour's phone. Stay calm, don't shout, speak slowly and clearly. NEVER go back inside!

A: Make a home fire escape plan and practise it at least twice a year.

Q: Where should you go once outside?

yellow

A: Go to your safe meeting place – such as your letterbox. Once you are out of the house NEVER go back inside!

Q: How often should you practise your home fire escape plan?

blue

2

Q: What is the first thing you should do in a fire?

A: Crawl Low & GO, GO, GO! Keep your arms straight and elbows locked in. Call out Fire! Fire! as you crawl out.

# Have fun while learning about fire safety.

Hi, I'm Beepy! This chatterbox lets you have fun colouring and playing games with your friends, while learning some important fire safety messages.

1. Colour in the chatterbox with your favourite colours.
2. Cut along dotted line and follow instructions below to fold.
3. Try it on your friends and family!

### Step One

Place printed side face down and fold each corner to the centre of the paper.

### Step Two

Your paper should look like this.

### Step Three

Turn your paper over. Fold all corners to the centre of the paper.

### Step Four

Fold your paper in half to form a rectangle. Fold again to form a square.

### Step Five

Open chatterbox out.

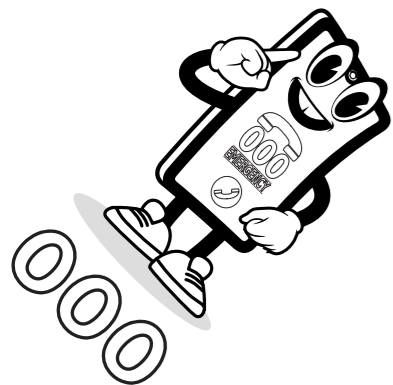

### Step Six

Place your thumb and pointer finger of each hand into the folds and pinch, and push it up until it pops up like this. Finished!

Q: How long should you run cool gentle water over any burns?

A: Hold your burn under cool running water for at least 20 minutes. If the burn is larger than a 20 cent piece, you will need to see a doctor.

Q: What should you do if your clothes catch fire?

4

A: STOP: put your hands over your face. DROP: Gently drop to the ground. ROCK & ROLL: Rock and roll back and forth, on the part of your body that is on fire until your clothes stop burning.

# What to do in a fire.

Make sure you  
can get out of  
your home quickly  
if there is a fire.

Get out, stay out,  
call triple zero '000'  
from a mobile or a  
neighbour's phone.

Saving lives  
through a quick  
escape is far more  
important than  
saving property.

Cool a burn!  
Hold your burn  
under cool running  
water for at least  
20 minutes.
